- Evidence to the South East Select Committee on Housing
- SEFS Core Transport Group comments to the Peer Review on Delivering a Sustainable Transport System
- SEFS Water Group negotiate with the Environment Agency on the South East River Basin Management Plan

SEFS Other Work

- **Behaviour Change work**
 - **Work commenced on Small Step Big Difference flyer**
- **Liaison with Stakeholders over place on the Strategy Board**
- **Environmental Summit**
- **Rural Board**
- **Regional Economic Strategy Steering Group**

Behind the scenes

- **Wide ranging discussions exploring funding opportunities**
- **Financial and employment activities successfully moved to the Environment Centre in Southampton**

Challenges for 2010/11

- **Addressing the financial challenges faced by the organisation**
- **Changes in the governance and decision making structures at all levels.**
- **Local Enterprise Partnerships**
- **Keeping environmental sustainability on the agenda**
- **Working with other voluntary bodies to ensure the retention and development of an effective environmental network**

Thank You

- Alison
- Diane Millis for Chairing P&EC
- SEEDA for funding SEFS
- Surrey Wildlife Trust for providing 6 years of financial and administration resource to SEFS and tEC for taking this over
- Ian Hepburn for contribution to SEFS SE Plan work since 2003
- Peter England for volunteering his time to lead on Transport policy
- Members for supporting financially & through working groups
-and to everyone else who works so hard for SEFS!
